Pipe clamp steel

Clamping Range: 20 - 370 mm (1 - 14")

- For centering and aligning the pipes to be welded
- Easy assembly

Part No.	Description	Range OD Inch	Range OD mm	Weight kg
1350004	Pipe clamp DWT S13 steel	1 - 3	25 - 76	1,5
1350005	Pipe clamp DWT S25 steel	2 - 5	51 - 127	3,1
1350006	Pipe clamp DWT S47 steel	4 - 7	102 - 177	3,3
1350007	Pipe clamp DWT S59 steel	5 - 9	127 - 228	6,9
1350008	Pipe clamp DWT S1014 steel	10 - 14	254 - 355	9,0

Pipe clamp stainless steel

Clamping Range: 20 - 370 mm (1 - 14")

- For centering and aligning the pipes to be welded
- Easy assembly and centric clamping of the pipes
- Stainless steel contact points avoid corrosion
- Tensioning screws with stainless steel balls prevent scratching of stainless steel pipes

Part No.	Description	Range OD Inch	Range OD mm	Weight kg
1350012	Pipe clamp DWT SS13 stainless steel	1 - 3	25 - 76	1,0
1350013	Pipe clamp DWT SS26 stainless steel	2 - 6	51 - 152	3,5
1350014	Pipe clamp DWT SS614 stainless steel	6 - 14	152 - 355	8,0

Clamping screws

for quick-release pipe clamps steel and stainless steel

- Replacement screws suitable for steel and stainless steel pipe clamps

Part No.	Description
1350009	Clamping screw steel for S13
1350010	Clamping screw steel for S25 & 47
1350011	Clamping screw steel for S59 & 1014
1350096	Clamping screw stainless steel for SS13
1350097	Clamping screw stainless steel for SS26
1350098	Clamping screw stainless steel for SS614
