

PipeCut 220 Pro Series

- Integrated depth adjustment
- Integrated laser for perfect cutting
- More power through a stronger engine
- Optical display for optimum worker guidance
- Optional saw blade housing with suction connection available

Weight	11,5 kg
Range of use	20 - 220 mm
Max. pipe wall	16 mm steel 35 mm plastics
Suitable for	All materials

Technical data

Voltage / Power	220-240V | 1.600W | 7,6A
No-load speed	I=1.900, II=2.885 rpm
Max.Blade diameter Ø	165 mm
Mounting bore	62 mm

Part No.: 1216272

Scope of delivery

PipeCut Pro Series, Carrying bag, Cermet 165 Saw blade, 4 x pipe supports, operating instructions, hexagon socket 5 mm & 2 mm

PipeCut 360 Pro Series

- Integrated depth adjustment
- Integrated laser for perfect cutting
- Optical display for optimum worker guidance
- More powerful motor with overload protection
- Optional saw blade housing with suction connection available

Weight	17,5 kg
Range of use	75 - 360 mm
Max. pipe wall	20 mm steel 50 mm plastics
Suitable for	All materials

Technical data

Voltage / Power	220-240V | 2500W | 12A
No-load speed	I=1.900, II=2.885 rpm
Max.Blade diameter Ø	190 mm
Mounting bore	62 mm

Part No.: 1216273

Scope of delivery

PipeCut Pro Series, Carrying bag, Cermet 165 Saw blade, 3 pipe supports (1 x double and 2 x single), operating instructions, hexagon socket 5 mm & 2 mm

PipeCut 460 Pro Series

- Integrated depth adjustment
- Cutting of thick and large pipes
- Cuts all pipe materials
- Optical display for optimum worker guidance
- Integrated laser for perfect cutting
- Soft start
- Speed control

Weight	18,5 kg
Range of use	100 - 460 mm
Max. pipe wall	20 mm steel 50 mm plastics
Suitable for	All materials

Technical data

Voltage / Power	220-240V | 2.500W | 12A
No-load speed	I=1.900, II=2.885 rpm
Max.Blade diameter Ø	190 mm
Mounting bore	62 mm

Part No.: 1216276

Scope of delivery

PipeCut Pro Series, Carrying bag, Cermet 165 Saw blade, 3 pipe supports (1 x double and 2 x single), operating instructions, hexagon socket 5 mm & 2 mm

Cut+Bevel Set

Upgrade your EXACT Pro machine to a Cut+Bevel version. With the conversion set, you can easily install an upgrade on your Pro machine.

Set includes:
- Cut+Bevel Diamond disc
- Saw blade cover, suitable for your EXACT Pro model

Part No. for the Pro Series models 220: 1351086
Part No. for the Pro Series models 360 & 460: 1351087
